Subject: Freedom of Information/Privacy Act Request [13-OIG-102]

Dear Mr. Musgrave:

This responds to your request under the Freedom of Information Act for access to records maintained by the Office of the Inspector General (OIG). The OIG located one document that was responsive to your request. It has been determined that this document is appropriate for release without excision and a copy is enclosed.

If you are dissatisfied with my action on this request, you may appeal by writing to the Director, Office of Information Policy (OIP), U.S. Department of Justice, 1425 New York Avenue, Suite 11050, Washington, D.C. 20530. Your appeal must be received by OIP within 60 days of the date of this letter. Both the letter and the envelope should be clearly marked "Freedom of Information Act Appeal." In the event you are dissatisfied with the results of any such appeal, judicial review will thereafter be available to you in the United States District Court for the judicial district in which you reside or have your principal place of business, or in the District of Columbia, which is also where the records you seek are located.

For your information, Congress excluded three discrete categories of law enforcement and national security records from the requirements of the FOIA. See 5 U.S.C. 552(c) (2006 & Supp. IV 2010). This response is limited to those records that are subject to the requirements of the FOIA. This is a standard notification that is given to all our requesters and should not be taken as an indication that excluded records do, or do not, exist.

Sincerely,
